

Be Kind. Be Strong. Be Healthy.

WESTAMERICA IS FOCUSING ON SPREADING SOME POSITIVE VIBES. WE'D LOVE YOU TO JOIN US.

As communicators, it's our job to help shape public attitudes. What better time for a campaign that puts a smile on people and reminds them that we care for each other?

That's why we are introducing the Be Kind. Be Healthy. Be Strong. Campaign.

Feel free to use these designs in any manner you wish. All designs are set up in 8.5 x 11 format. You can easily import this into your word processing or desktop design program to customize in your own way. Or, use them as is.

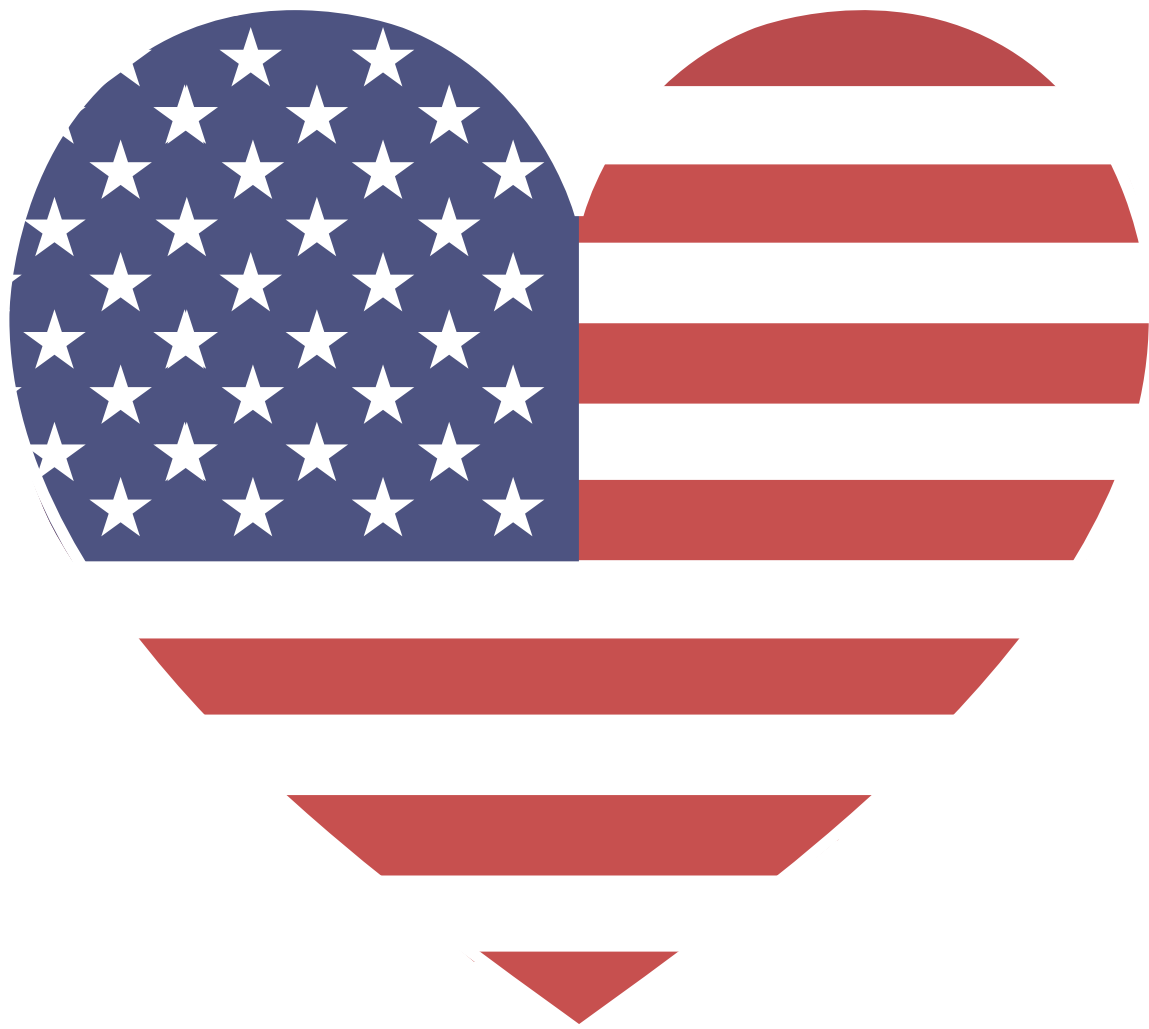

Feel free to pass along this document to others. Share the love!

From the team at Westamerica Communications.
